FROM: Lottie Mitchell, Grant Coordinator
DATE: February 19, 2019
SUBJECT: WLG Fremont, LLC Local Option Economic Development Fund Application

Recommendation: Move to recommend to City Council to approve application from WLG Fremont, LLC for a Local Option Economic Development Fund loan.

Background: The City of Fremont has a Local Option Economic Development Plan (LB840) and loan fund for the purposes of creating new jobs, expanding the labor market, retaining existing jobs, attracting new capital investment, broadening the tax base, and providing economic diversification to ensure economic stability and vitality for the City of Fremont and surrounding areas.

Applications are submitted to the plan administrator (City of Fremont) for review. Once the plan administrator has reviewed and determined the application is eligible for LB840 funds, the application is then reviewed by the Local Option Review Team (LORT) and the Citizens Advisory Review Committee (CARC).

The LORT reviews the application from the standpoint of project feasibility and the potential future economic benefit to the community of Fremont. The CARC reviews the application from the standpoint of compliance with the Plan. Both committees make recommendations to the City Council. The City Council will then consider the overall benefits to the community and will have final authority on approval of the application.

WLG Fremont, LLC has submitted an application to the LB840 fund. WLG Fremont, LLC is a limited liability company formed by DANA Partnership, LLP and RTG Medical, Inc.

- DANA Partnership, LLP is a private equity investment firm with a focus on real estate development.
- RTG Medical, Inc. is a medical staffing agency focused on contracting travel and permanent healthcare professionals.

They hope to expand their business in Fremont and are working to develop a building that would allow them to grow for years to come.

WLG Fremont, LLC is in the process of designing, and hopes to soon construct, a 52,000 square foot building to be occupied by RTG Medical as the sole occupant. A twenty-year lease proposal has been executed. The building will be located in the Gallery 23 East development.

RTG Medical’s employees receive an average annual salary of more than $85,000. Benefits include dental, vision, employer paid life insurance and long-term disability,
voluntary life insurance, medical FSA, dependent care FSA, 401k, paid time off, and more.

WLG Fremont, LLC is proposing a $16 million project and is requesting a $600,000 Local Option Economic Development Fund (LB840) Loan. The terms of the loan are:

- $600,000 at zero (0%) percent interest rate, and forgiven over a sixty (60) month period, subject to RTG Medical, Inc. increasing its workforce by 50 full-time equivalent employees.

The LB840 loan is subject to a loan agreement with the City per the requirements listed above and is contingent upon:

- an executed lease agreement of at least five years,

Re: New RTG Medical, Inc. Headquarters
Application for Local Option Development Plan Loan Fund
& Economic Enhancement Funds

To Whom It May Concern:

It is with great pleasure that we present our application for incentive funds from the city of Fremont.

It is rare that a project fits so well with the incentive intent of a specific program, and we believe the RTG Medical, Inc. project represents an ideal. A Fremont grown, entrepreneurial venture started in 2001, by a disabled veteran has now become one of America’s fastest, private companies, and has committed its roots to Fremont, Nebraska.

White Lotus Group has been retained to develop a project that will become the finest office environment with current employment at eighty (80), and space to grow exponentially. We hope that this well-intentioned project and increased workforce from RTG Medical, Inc. is met with a positive reception from the committees and administration. Please find the attached request for funds from each of the various programs.

Please contact me to discuss any additional informational requirements, and look forward to a productive process, aagarwal@whitelotusgroup.com or via telephone, 402-346-5550.

Sincerely,

Arun Agarwal
