UNIFIED DEVELOPMENT CODE
BETA COMMITTEE AGENDA
REGULAR MEETING
FRIDAY, APRIL 14, 2017

MEETING: 3:00 P.M. – CITY COUNCIL CHAMBERS

1. Call to Order.

2. Review and discuss [case study] beta projects.
   - Staff report
   - Committee discussion – no formal action required

3. Adjournment.

TO: UDC Beta Committee
FROM: Troy Anderson, Director of Planning
DATE: April 11, 2017
SUBJECT: [Case Study] Beta Projects

Recommendation: no formal action required.

Background: In order to test whether or not the Unified Development Code (UDC) is a complete body of work, without significant holes, gaps, or deficiencies, it’s necessary to test the codes against various development projects.

This is a continuation of ongoing case study evaluation as it relates to the revised UDC, including but not limited to:

- Development of a 60 lot residential subdivision;
- Introduction of a home occupation or home based business;
- Construction of a 120 SF detached accessory structure;
- Construction of a 576 SF [two-car garage] detached accessory structure;
- Construction of a 70 SF addition;
- Construction of a 2,400 SF one-family dwelling with a 576 SF [two-car] garage;
- Construction of a 32 unit multi-family residential [apartment complex];
- Construction of a 4,250 SF [fast-food] restaurant;
- Construction of a 15,000 SF office building;
- Construction of a 45,000 SF retail store;
- Construction of a 70,000 SF [campus/university] academic building;
- Construction of a 40,000 SF self-service storage facility (2-3 ac. lot/tract);
- Construction of a 25,000 SF warehouse facility;
- Redevelopment of an attached two-car garage to an Accessory Dwelling Unit (ADU) (i.e. accessory suite);
- Redevelopment of a one-family dwelling to a retail store; and
- Redevelopment of a retail store to an assembly [restaurant] use.

Fiscal Impact: N/A
