AERIAL APPLICATOR AGREEMENT

THIS AGREEMENT made and entered into by and between the City of Fremont, hereinafter referred to as “City”, and GFG Spray Service/GFG Ag Products, hereinafter referred to as “Aerial Applicator.”

WHEREAS, Aerial Applicator desires to use the airport in connection with its aerial application and crop dusting business, and

WHEREAS, City agrees to allow Aerial Applicator to use the airport for said aerial application business but desires to be indemnified against any environmental hazard or waste contamination.

NOW, THEREFORE, in consideration of the mutual covenants herein described, the parties agree as follows:

1. Aerial Applicator shall pay a fee of $1,500.00 before the start of Aerial Applicator spray operations, for the calendar year of 2019 for the use of the airport in connection with its aerial application business. The term of this Agreement shall be for the calendar year of 2019. Aerial Applicator shall also provide and have available a spill prevention kit to contain and absorb any fuel or chemical spill on Fremont Airport property. Any spills will be cleaned up immediately and completely at the Aerial Applicator’s expense and to the satisfaction of the City of Fremont.

2. The parties acknowledge that Aerial Applicator uses certain hazardous substances in the course of conducting its business. Aerial Applicator shall, at Aerial Applicator’s sole cost and expense, comply with all the requirements and orders now in force in which may hereafter be imposed by all federal, state, county, municipal and other applicable governmental authorities pertaining to Aerial Applicator’s use and occupancy of the airport for its aerial application business.
   a. In the event Aerial Applicator receives a notice of violation from a governmental authority or becomes aware of an event or condition which would give rise to violation, Aerial Applicator shall give prompt notice thereof to the Airport Manager, including an accurate and complete written report of the event or condition. Aerial Applicator shall also provide to the Airport Manager a written plan for the repair, abatement or remediation, as the case may be, of the violation, including a timetable for completion of the plan. Aerial Applicator shall promptly execute the plan at his sole cost and expense.
   b. In the event Aerial Applicator fails to perform any act required under this paragraph 2, it shall be deemed in default under the terms of this Agreement and City may terminate this Agreement. City shall be entitled to collect from Aerial Applicator any fines, penalties,
expenses of repair, expenses of remediation (including professional’s expenses and consultant’s fees) and all direct and consequential damages incurred as a result of Aerial Applicator’s default under this paragraph 2.

3. Aerial Applicator agrees to indemnify and hold City harmless against any loss, liability, cost, expense or claim, including but not limited to attorney fees, disbursements, laboratory fees and consultant fees which the City may sustain resulting from or on account of any claims arising from the enforcement of any environmental protection laws by any federal, state or municipal environmental protection laws, regulations or policies. Aerial Applicator shall not be responsible for any expense related to any condition created or contributed to by City, which condition is volatile of any environmental law, regulation or policy. The provisions of this paragraph shall survive the termination of this Agreement and inure to the benefit of City, it successors or assigns.

4. Aerial Applicator shall obtain, maintain in full force and effect, and strictly comply with any and all governmental permits, approvals and authorizations necessary for the conduct of its business operations and shall supply the City with copies of such permits, approvals and authorizations. Aerial Applicator shall promptly notify the Airport Manager of the expiration or the revocation of any such permits, approvals and authorizations and shall promptly notify the Airport Manager with a copy of any notice of violation of any environmental law, regulation, state, ordinance, policy or Aerial Applicator receives.

5. Aerial Applicator shall have and use radios while performing spray operations off the Fremont Municipal Airport.

6. The Aerial Applicator shall purchase their fuel at the Fremont Municipal Airport while operating from the site.

7. The parties hereto recognize that Aerial Applicator will be using or producing substances which are deemed “hazardous” under certain federal and state laws and regulations, that such use or production will be in the ordinary course of Aerial Applicator’s business and cannot be avoided, and that there are no substitute substances available which are not “hazardous” substances.

8. The parties further recognize that the City needs adequate assurances that in the event of an adverse environmental occurrence, such as a leak during storage, transportation, handling or disposal, or a release of one of these substances, Aerial Applicator will have sufficient financial resources to remedy the problem, as required by federal and state law, and to adequately compensate for injury to person or property of third parties who may be affected by the adverse environmental occurrence. The term “an adverse environmental event” shall be defined as a release of a hazardous substance (as defined below), which release either poses a threat to the
quality of air, water, lawn, fish, wildlife or natural resources, or a threat of damage to persons or property, and which will require remediation under the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA).

9. The parties further recognize that under CERCLA, 42 USC § 9601 et seq., the federal authorities are not required to recognize the hold harmless provision contained elsewhere in this Agreement, whereby Aerial Applicator agrees to indemnify City for the cost of remediation and injury to persons and property, among other things. The intent of the parties is to provide a source of funds to reimburse City for such remediation costs and damages, should they be deemed liable therefore by any governmental authority or court of law. Accordingly, Aerial Applicator shall provide written proof by providing a copy of the insurance policy, bond or irrevocable letter of credit (hereafter “security”), in at least the amount of $2,000,000, which shall name the City as additionally insured, beneficiary or payee, as the case may be. The security shall be payable to City in the event that an adverse environmental event occurs on the leased property.

10. The term “hazardous substance” shall mean any substance hazardous under any of the following statutes, or under any other statute or regulation of any governmental authority: The Comprehensive Environmental Response, Compensation and Liability Act, 42 USC § 9601 et seq.; the Resource Conservation and Recovery Act, 42 USC § 6901 et seq.; the Hazardous Material Transportation Act, 49 USC § 1801 et seq.; and the Toxic Substances Control Act, 15 USC § 2601 et seq.; and regulations promulgated thereunder.

11. It is the intent of the parties that Aerial Applicator be responsible for the expense of any clean up, remediation or damages. The security is to be provided as extra protection against such expenses.

12. Aerial Applicator shall provide proof of the existence of such security to City before using the airport for aerial application. Aerial Applicator shall also provide to City proof of payment of any premium or fees in connection with the security. If an insurance policy is used, Aerial Applicator shall obtain a clause in the policy guaranteeing City thirty (30) days notice prior to cancellation of the policy for any reason. In the event Aerial Applicator fails to pay a premium or fee when due, City may pay the same and charge the cost thereof back to Aerial Applicator as additional fees. Such additional fees shall be due and payable on the first day of the month following the month in which City made payment. Failure to maintain the required security throughout the duration of the agreement term, or to reimburse City for its payment of a premium or fee, shall be an event of default under this Agreement.

13. Aerial Applicator shall perform any act or produce any data which may be required by a company which agrees to provide the security. This may include, but shall not be limited to, undertaking an
environmental site assessment, allowing periodic review of business records by the company, or releasing financial data and descriptions of business operations.

14. Aerial Applicator shall use all reasonable means to prevent an adverse environmental occurrence and City, through its representatives, employees and agents, shall be permitted at all reasonable times to inspect any of Aerial Applicator's facilities and equipment for the purpose of determining compliance with this paragraph.

15. This Agreement shall not be assigned by Aerial Applicator without express written consent of City.

WHEREFORE, the parties have executed this Agreement this \[21\] day of \[April\], 2019.

(b) **Indemnification.** The Company shall, to the fullest extent permitted by law, indemnify, defend and hold harmless any Indemnitee (and its, his or her respective successors, heirs and legal and personal representatives) who was or is a party, or is threatened to be made a party, to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (including any action by or in the right of the Company), by reason of any acts or omissions or alleged acts or omissions arising out of such Indemnitee’s activities either on behalf of the Company, any Subsidiary or any Associated Entity and in furtherance of the interests thereof, against all claims, liabilities, damages, losses, costs and expenses (including amounts paid in satisfaction of judgments, in compromises and settlements, as fines and penalties and legal or other costs and reasonable expenses of investigating or defending against any claim or alleged claim) of any nature whatsoever, known or unknown, liquidated or unliquidated, that are incurred by any Indemnitee and arise out of or in connection with such action, suit or proceeding; provided, that such Indemnitee’s act or omission does not constitute gross negligence, fraud, or a willful illegal act. If this Section 6 or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Company shall nevertheless indemnify, defend and hold harmless each Indemnitee pursuant to this Section 6 to the fullest extent permitted by any applicable portion of this Section 6 that shall not have been invalidated and to the fullest extent permitted by law. The provisions of this Section 6 shall be a contract between the Company, on the one hand, and each Indemnitee, on the other hand, pursuant to which the Company and each such Indemnitee intend to be legally bound. No amendment, modification or repeal of this Section 6 that adversely affects the rights of an Indemnitee to indemnification incurred or relating to a state of facts existing prior to such amendment, modification or repeal shall apply in such a way as to eliminate or reduce such Indemnitee’s entitlement to indemnification without the Indemnitee’s prior written consent.

7. Term. The term of the Company shall be perpetual unless the Company is dissolved and terminated in accordance with Section 11.

8. Capital Contributions. The Member may contribute to the Company such cash, property or services as determined by the Member.

(b) Upon dissolution of the Company, the Company shall immediately commence to wind up its affairs and the Member shall promptly liquidate the Company. During the period of the winding up of the affairs of the Company, the rights and obligations of the Member under this Agreement shall continue.

(c) In the event of dissolution, the Company shall conduct only such activities as are necessary to wind up its affairs (including the sale of the assets of the Company in an orderly manner), and all assets of the Company at the time of liquidation (including any proceeds thereof) shall be applied as follows: (i) first, to creditors, to the extent otherwise permitted by law, in satisfaction of liabilities of the Company (whether by payment or the making of reasonable provision for payment thereof); and (ii) thereafter, to the Member.

(d) The Member shall comply with any applicable requirements of the Act pertaining to the winding up and dissolution of the Company.

12. **Miscellaneous.**

(a) **Amendments.** Amendments to this Agreement may be made only with the consent of the Member.
(b) Governing Law. This Agreement shall be governed by the laws of the State of Missouri, without regard to its conflicts of laws principles.

(e) Severability. In the event that any provision of this Agreement shall be declared to be invalid, illegal or unenforceable, such provision shall survive to the extent it is not so declared, and the validity, legality and enforceability of the other provisions hereof shall not in any way be affected or impaired thereby, unless such action would substantially impair the benefits to any party of the remaining provisions of this Agreement.
