

Resolution NO. 2017-061

A Resolution of the City Council of the City of Fremont, Nebraska, to set minimum standard for the activation of the warning sirens in response to severe weather.

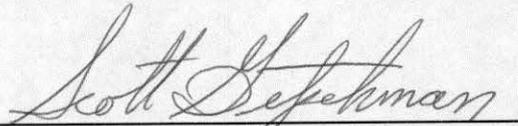

WHEREAS, Fremont, Nebraska believes it is in the best interest of its citizens to provide outside warning for the imminent approach of severe weather; and

WHEREAS, the National Weather Service will provide verbal alerts directly to the Public Safety Answering Point in response to certain forecasted and imminent weather conditions.

NOW THEREFORE BE IT RESOLVED:

The Mayor and City Council accept the recommendation of the City Civil Defense Director and the Fremont/Dodge County Communications Director to activate the outside warning sirens when the PSAP is directly notified by the National Weather Service of Tornado Warnings and Severe Thunderstorm Warnings that meet the NWS criteria for verbal dissemination, and field reports from reliable sources.

PASSED AND APPROVED THIS 20th DAY OF March, 2017

SCOTT GETZSCHMAN, MAYOR
