

FRIENDSHIP NEWS

NOVEMBER 2020

1730 W. 16 FREMONT NE

402-727-2815

NOVEMBER: KEEP ON KEEPING ON

As you look at the calendar you will see a few changes in our activities. We had hoped to add more activities but have decided to stay with our current plan, since the COVID-19 cases continue to rise. In order to continue moving forward we ask that you social distance at ALL times and wash/sanitize your hands often. Facemasks are required to enter and exit the center and at all times while playing cards and chair volleyball. Please check your calendar daily to see what is happening!

DETAILS: PLEASE READ CAREFULLY!

*Seniors may arrive at any time in the morning BUT MUST WAIT AT THE DESK FOR STAFF TO HAVE TEMPERATURES TAKEN BEFORE ENTERING.

*12:15 is the check in time for the Monday and Thursday afternoon activities.

*There will be 4 per table for visiting and lunch

*Each morning there will be group activities only (no cards)

LUNCH: We will be serving lunches inside the center at 11:30am. The drive by Grab and Go meals ended on October 30th but we would LOVE to have you join us inside for lunch, conversations and new friendships.

WEDNESDAY MORNING ENTERTAINMENT CONTINUES:

Entertainment will continue in the Main Arena on the Christensen Field side on Wednesdays. The center doors will be locked.

- Please continue to bring your own chair on Wednesday mornings
- The Front Doors at Christensen Field will open at 9:45am for check in. Once the music is over, you may come in to the center to eat.
- Feel free to bring your own coffee or water

FOR ALL ACTIVITIES: temperatures will be done and a symptom check prior to entering building. Please be patient as our staff takes the time to record this information if contact tracing becomes necessary. A reminder that you are participating at your own risk and we ask that you stay home if you are not feeling well.

Pool players will need to bring their own pool cues and the pool room will be open only on Mondays and Thursdays, 12:30-2:30pm. Pool players will need to check in for temperatures at 12:15pm.
