

## LET'S EXPLORE FREMONT'S PARKS

## A EXPLORAR LOS PARQUES DE FREMONT

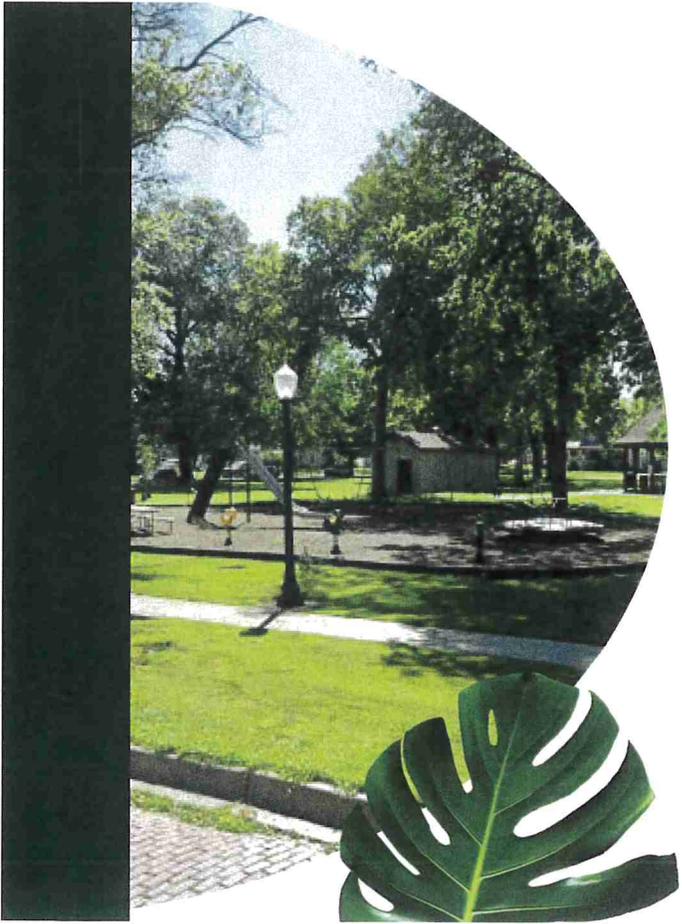

This packet is made available thanks to:

Fremont Public Schools' Dual Language Program. This project was part of a unit in community translations, which serves to support students' linguistic and academic skills while creating opportunities for access members of the community.

ES Dual Language Students. Students worked in small groups to create and translate a summer packet to help families find summer fun in Fremont. This version of the packet was created and translated by Pricila and Alisson.

The Friends of Fremont Area Parks. The Friends have provided funding for printing in order to give students access to these packets.
